II.2.4) Description of the procurement

This is a contract award notice and is intended to provide notice of NHS Mid and South Essex Integrated Care Board (herein "the Authority")'s intention to award a contract to deliver Tier 2 Dermatology Services to the patients within Mid and South Essex's geographical footprint. This contract award notice is made following the Authority's publication of the voluntary ex ante transparency notice (Notice Number: 2023/S 000-032162) on the 31st October 2023 which outlined the rationale and reasoning for the Authority's decision to award this contract, under Regulation 32 (2) (c) of the Public Contract Regulations 2015 ("PCR 2015") (as amended The Public Procurement (Amendment etc.) (EU Exit) Regulations 2020).

In line with best practice, the Authority has observed the voluntary 10-day standstill period from the publication date of the voluntary ex-ante Notice before awarding the contract, pursuant to Regulation 99 (3) (c) of the Public Contract Regulations 2015 (as amended (EU Exit) 2020 etc.)

The voluntary ex ante transparency notice provided notice of NHS Mid and South Essex Integrated Care Board (herein "the Authority")'s intention to award a contract to deliver Tier 2 Dermatology Services to the patients within Mid and South Essex's geographical footprint. The contract will be for 6 months, with the option to extend for a further 6 months, from 01st April 2023 - 31st March 2024 . The aggregate contract value is forecasted at £1,027,687.

As of July 2022, the Integrated Care Board was formed and replaced the previous Clinical Commissioning Groups (CCGs). NHS MSE ICB superseded the 5 CCGs and the ICB is undergoing an organisational restructure and at the current time (the time of this notice being published, October 2023), therefore longer-term strategies across all sectors are under discussion and longer term commissioning decisions and or procurements cannot take place until these legal arrangements are confirmed. As a result, the Authority will then have to review, assess and align services that were previously commissioned by the CCGs, now ICB, within their own localities and covering various contract terms across the Mid and South Essex footprint.

The Authority has therefore taken the decision to award this Tier 2 Dermatology Service (which was previously for CPR and Southend CCG) to incumbent provider Mid and South Essex NHS Foundation Trust (MSEFT). The provider is considered most technically capable of providing the most economically advantageous solution to the Authority under the current environment whilst the ICB undergoes restructure, review and alignment of contracts. The Authority is applying the NHS Standard Contract Terms and Conditions to support a combination of services, all of which are part funded a under a single clinical contract, to ensure appropriate clinical governance and service delivery quality as well as consistency of service to patients.
