Services

II.1.4) Short description

This tender is for a Firm who will provide the University with services including market research, advice and assistance to deliver the University's China strategy and contribute to the University's Global Strategy. The Firm will support the University providing the following:

1. Provide dedicated staff based in major cities in China including but not limited to

Beijing, Shanghai and Guangzhou to deliver the required services;

- 2. Support the implementation of university strategies;
- 3. Assist a diverse portfolio of activities in marketing, student recruitment, partnership development and brand promotion in China;
- 4. Develop networks and relationships with the local government, institutions and industries in China;
- 5. Act as a point of contact for staff across the university and external partners;
- 6. Working closely with UK organisations represented in China;

- 7. Develop the University's agent network and deliver conversion activities;
- 8. Enhancing the University's profile, brand awareness and reputation in China;
- 9. Other support duties as required to meet the objectives of the university.

This is a further competition from Newcastle University General Business Services Dynamic Purchasing System (DPS)

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The University will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the

award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into.

The Public Contracts Regulations 2015 (SI 2015 No 102) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland) within 30 days of knowledge or constructive knowledge of breach.
