Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Airflow System Maintenance

Reference number

PROC/6741/22

II.1.2) Main CPV code

- 50000000 - Repair and maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

The London fire commissioner (LFC) is looking to award a service contract to a qualified contractor for the maintenance of its high pressure breathable oxygen and air compressors, high pressure pipework and associated distribution systems.

The LFC operates high pressure breathing air compressor systems at three sites collectively run by The Operations Support Group (OSG).

The Operations Support Centre (OSC) is the main site based in Croydon, with satellite charging rooms located at Park Royal fire station and Barking Fire station. Both OSC and Barking charging room have oxygen charging capability. The high-pressure air system not only supplies cylinder recharging but also supports our Respiratory Protective Equipment (RPE), Gas Tight Suit (GTS), Cylinder testing and other areas throughout our sites and are regulated at various pressures.

II.1.5) Estimated total value

Value excluding VAT: £339,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 50000000 - Repair and maintenance services

II.2.3) Place of performance

NUTS codes

- UKI - London

Main site or place of performance

London

II.2.4) Description of the procurement

The London fire commissioner (LFC) is looking to award a service contract to a qualified contractor for the maintenance of its high pressure breathable oxygen and air compressors, high pressure pipework and associated distribution systems.

The LFC operates high pressure breathing air compressor systems at three sites collectively run by The Operations Support Group (OSG).

The Operations Support Centre (OSC) is the main site based in Croydon, with satellite charging rooms located at Park Royal fire station and Barking Fire station. Both OSC and Barking charging room have oxygen charging capability. The high-pressure air system not only supplies cylinder recharging but also supports our Respiratory Protective Equipment (RPE), Gas Tight Suit (GTS), Cylinder testing and other areas throughout our sites and are regulated at various pressures.

As part of the commitment to firefighter safety and to maintain operational capacity, the LFC requires the provision of maintenance to its high-pressure breathing air and breathable oxygen compressor systems, high pressure pipework and distribution systems

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 60%

Price - Weighting: 40%

II.2.6) Estimated value

Value excluding VAT: £339,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

31 March 2023

End date

31 March 2028

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

As detailed in KPI in the contract

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

23 December 2022

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.7) Conditions for opening of tenders

Date

23 December 2022

Local time

12:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.4) Procedures for review

VI.4.1) Review body
