II.1.2) Main CPV code

- 90420000 - Sewage treatment services

II.1.3) Type of contract

Services

II.1.4) Short description

This PIN is to notify suppliers that NI Water is seeking to engage with the market regarding our ongoing requirements for the supply, installation, commissioning and specialist maintenance, repair and refurbishment of screening and associated conditioning and grit removal equipment across various clean and wastewater treatment sites. We would be interested in speaking to suppliers who have experience in providing any of the following:

- Various screening types, including but not limited to;

- Coarse Screens
- Fine Screens
- Overflow Screens
- Screens Handling Equipment
- Packaged Inlet Works
- Grit Removal & Treatment Systems
- Package Grit Plant

These sessions are expected to be held on Friday 22nd November 2024 and will last 30 minutes. If you would be interested in attending a session, please confirm by emailing, sourcing@niwater.com FAO Stacey McEvoy. In your response, please provide a brief

overview of your company and experience and your availability to meet via MS Teams on the above date. Please also confirm the name of the representative(s) attending, job title and their email address. Depending on the number of responses received, NI Water may not be able to meet with every supplier however this does not exclude any supplier from participating in the future tender process. Please confirm your interest in this no later than 4pm Monday 18th November 2024.
