### Scope

### Reference

V4SDDC007

### Description

South Derbyshire District Council is undertaking a project to replace and upgrade external doors and glazing at Rosliston Forestry Centre. The works will focus on improving accessibility, durability, and energy efficiency across several key areas of the site, including the visitor centre, café entrances, office doors, and main front access. The current timber and Perspex installations will be replaced with powder-coated aluminium frames and double-glazed units, with a focus on compliant design under the Equality Act 2010. The project aims to enhance the visitor experience, ensure safer and more reliable access, and maintain the centre's commitment to sustainability and environmental standards.
