Scope

Reference

RM1043.9

Description

This framework enables public sector organisations to procure suppliers to deliver digital, data, and technology services in line with government policies, standards, and best practices.

The scope for this framework contract supports delivery across all service manual agile life cycle phases (discovery, alpha, beta, live and retirement) to deliver application development and user-centred design services to build great digital products and services that meet citizen needs.

All tender documents are uploaded within the Digital Marketplace. To view these documents you will need to create an account by clicking 'Become a Supplier' on the Digital Marketplace home page or sign-in with an existing account. Following this, using the available guidance, you will need to link your account using your share code from the Central Digital Platform.

Once your account on Digital Marketplace has been linked with your share code from the Central Digital Platform, you will be able to view the DOS 7 tender documents and start your DOS 7 application.

Commercial tool

Establishes an open framework

A series of frameworks with substantially the same terms. Awarded suppliers are carried over and new suppliers can bid.

Total value (estimated)

- £12,000,000,000 excluding VAT
- £14,400,000,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 30 January 2026 to 29 July 2027
- Possible extension to 29 January 2029
- 3 years

Description of possible extension:

The initial duration of the Framework is 18 months, with an option to extend for 18 months.

CCS reserve the right to extend lots by varying durations

Main procurement category

Services

Not the same for all lots

CPV classifications are shown in Lot sections, because they are not the same for all lots.

Lot 1. Digital Outcomes

Description

Lot 1 enables Buyers to procure suppliers to deliver specific, outcome-based digital projects in line with agile methodologies and government digital standards.

Lot value (estimated)

- £12,000,000,000 excluding VAT
- £14,400,000,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 72000000 - IT services: consulting, software development, Internet and support

Same for all lots

Contract dates are shown in the Scope section, because they are the same for all lots.

Lot 2. Digital Capability and Delivery Partner

Description

Lot 2 enables Buyers to procure suppliers to support the delivery of long-term digital transformation programmes, capability-building initiatives, and strategic resource augmentation

Lot value (estimated)

- £12,000,000,000 excluding VAT
- £14,400,000,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 72000000 - IT services: consulting, software development, Internet and support

Same for all lots

Contract dates are shown in the Scope section, because they are the same for all lots.

Lot 3. Digital Specialists
