Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Contingency Contract for Residual Waste Treatment and / or Disposal

Reference number

DN748407

II.1.2) Main CPV code

- 90510000 - Refuse disposal and treatment

II.1.3) Type of contract

Services

II.1.4) Short description

The Council wishes to establish a multi-provider Contract for the provision of a Contingency Contract for Residual Waste Treatment and / or Disposal. The Council is managing this procurement in accordance with the Public Contracts Regulations.

This is a services Contract being procured under the Open procedure with two LOTs.

The Council has a contract with its West of England partner authorities for the majority of its residual waste. However, contingency treatment facilities are required for disposal of residual waste above our permitted existing contractual limits.

The Council is procuring the Contract(s) as a central purchasing body for itself. It may be award more than one contract within in each LOT where it makes economic sense to do so under this tender exercise. LOT 1 is for kerbside residual waste and LOT 2 is for bulky residual waste.

There will be no guarantee of tonnages as part of the awarded contingency contract(s). Indicative forecasting will however be available to assist with planning throughout the term.

II.1.5) Estimated total value

Value excluding VAT: £2,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Lot No

1

II.2.2) Additional CPV code(s)

- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKK12 - Bath and North East Somerset, North Somerset and South Gloucestershire

II.2.4) Description of the procurement

LOT 1 is seeking bids for Treatment and / or Disposal of Kerbside Residual Waste. This is black bag waste collected as part of the Council's collection services from homes and businesses in the district, and black bag waste collected from traders at it's transfer station. Bids are sought to act as contingency outlets for Kerbside Residual Waste.

The Council is procuring the Contract(s) as a central purchasing body for itself. It may be award more than one contract within in each LOT where it makes economic sense to do so under this tender exercise. Bids from treatment technologies will score more favourably than landfill, in line with the waste hierarchy.

Bidders should note there will be no guarantee of tonnages as part of the awarded contingency contract(s). Indicative forecasting will however be available to assist with planning throughout the term.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 30

- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKK12 - Bath and North East Somerset, North Somerset and South Gloucestershire

II.2.4) Description of the procurement

LOT 2 is seeking bids for Treatment and / or Disposal of Bulky Residual Waste. This is for any residual waste unable to fit in a black bag waste collected mostly at the Council's household recycling centres, via fly-tipped and cleansing services and its waste transfer station operations. Bids are sought to act as contingency outlets for Kerbside Residual Waste.

The Council is procuring the Contract(s) as a central purchasing body for itself. It may be award more than one contract within in each LOT where it makes economic sense to do so under this tender exercise. Bids from treatment technologies will score more favourably than landfill, in line with the waste hierarchy.
