II.1.4) Short description

The project will involve undertaking a comprehensive analysis of SSSI citations to correctly interpret and establish a legally sound list of notified features. Two worked examples are provided in Annex 1, the text in these examples is for reference only to depict how conclusions were made, it is anticipated that the outputs the successful Contractor provides will be in a spreadsheet format. Please note, some citations will be easier than the examples, and others more complex. Natural England will provide guidance on award of contract to assist with the interpretation of the citations and ensure a consistent approach is taken across sites.
