VI.3) Additional information

Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

The Social Partnership and Public Procurement (Wales) Act 2023 places a socially responsible procurement duty on all Welsh councils to seek to improve the economic, social, environmental, and cultural well-being of their area by carrying out public procurement in a socially responsible way. The aim is to maximise the positive outcomes and wellbeing of local people; influence local service provision; and add value and focus to what matters to people in a way that exceeds exclusively monetary value. This is about:

enhancing health and wellbeing;

building safer communities;

maximising opportunities for fulfilling potential;

improving the physical environment; and

supporting local economies.

Describe what your organisation will bring to the contract that is outside of the scope of the service specification which will deliver added Community Wellbeing Benefits to the service. This should only relate to value added to the delivery of this contract and should not refer to other services delivered or funded from elsewhere.
