VII.2) Other additional information

Carmarthenshire County Council have been made aware to a degree of ambiguity pertaining to the provision of Mental Health services within the Community Preventative Services model; phase 1 and phase 2.

Please be advised that phase 2 is under development and Carmarthenshire County Council is not in a position to confirm the specification nor to provide any assurance regarding funding levels at this stage.

For clarity, parties with an interest in delivering Mental Health Specialist services may, at this time, consider Lots 2A, 2B, 2C, 2D and 2E of the Community Preventative Services tender.

On this basis we have decided to extend the closing date to ensure that all interested parties have an opportunity to tender.
