II.1.4) Short description

As a Waste Disposal Authority (WDA) DCC is responsible for the disposal of waste that the District Councils of Devon collect, known as Local Authority Collected Waste (LACW). DCC works in partnership with all 8 District Councils in Devon as well as the unitary authorities (UA) of Torbay. The partnership, known as DASWC (The Devon Authorities Strategic Waste Committee), consists of representatives at both officer and councillor level from all Devon District Councils and Torbay Council.

From 1st April 2024, Waste Paper from Exeter City Council and the District Councils of East Devon, Mid-Devon, North Devon and Teignbridge will require collection and haulage from their respective Waste Collection Points for Recovery at the Contractor's Waste Recovery Point(s). The Waste Collection Point locations are listed within the specification provided in the contract documents, along with the estimated annual tonnage. Appendix A within the procurement documents provides further detail regarding each Waste Collection Point.

The estimated value of this contract as stated within this contract notice is based off only the historic haulage costs payable to the winning contractor. However there are a number of additional elements to the value of the contract that are tied to the published letsrecycle.com rates, due to the variable nature of this value it is not possible to provide expected values for this element of the contract. Any prospective bidder should ensure they have fully read and understood all elements of the specification in order to accurately determine its value.

The Contract will be for an initial period of three years with option to extend for a further two years

II.1.5) Estimated total value
