Section IV. Procedure
IV.1) Description**IV.1.1) Type of procedure**

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

In accordance with regulation 4 of The Defence and Security Public Contracts (Amendment) (EU Exit) Regulations 2019 (SI 2019/697) this procurement falls to be

regulated under the provisions of the Defence and Security Public Contracts Regulations 2011 as amended (in particular by SI 2019/697 and SI 2020/1450). Prior publication of a contract notice in the Official Journal of the European Union is no longer appropriate.

It is considered that the award of the contract without prior publication of a contract notice in the UK e-notification service (as required by the relevant legislation) is lawful in accordance with regulation 16(1)(a)(ii) because the works, supplies or services can be supplied only by General Atomics Aeronautical Systems Limited as competition is absent for technical grounds. The contract will enable work to be undertaken as a proof of concept utilising existing technology/services provided by General Atomics Aeronautical Systems Limited in order to carry out experiments that will determine the future scope to address a number of capability problem sets and will support future investment decisions. In addition and in the alternative, the contract is for research and development services within regulation 16(1)(c).

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
