Nuclear Decommissioning

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Trawsfynydd Reactor Buildings Height Reduction

II.1.2) Main CPV code

- 45111100 - Demolition work

II.1.3) Type of contract

Works

II.1.4) Short description

Magnox Limited is currently preparing to initiate a procurement process for the partial demolition of the Reactor Buildings at its site at Trawsfynydd in Gwynedd.

Magnox wish to carryout a pre-market engagement webinar with interested suppliers to investigate whether the market can deliver the works, together with establishing if there is supplier interest to undertake the work prior to the publication of the ITT in March, 2023

II.1.5) Estimated total value

Value excluding VAT: £53,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 98391000 - Decommissioning services
- 45200000 - Works for complete or part construction and civil engineering work

II.2.3) Place of performance

NUTS codes

- UKL12 - Gwynedd

Main site or place of performance

Trawsfynydd Site
Blaenau Ffestiniog
Gwynedd LL41 4DT

II.2.4) Description of the procurement

The key element of the scope is the partial demolition of both Reactor Buildings. The proposed work include the removal of all degrading structures to the yellow “cut line” as identified within the Additional Information pack appended to this PIN Notice, giving an indication of the Height Reduction end point level (stage 1).

II.2.14) Additional information

The Additional Information slide pack is available for unrestricted and full direct access, free of charge. If you have not accessed the Atamis portal previously, you will need to register. This can be done online at <https://one-nda.force.com/s/Welcome> by following the link "Register here".

II.3) Estimated date of publication of contract notice

23 March 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

Magnox has an approved strategy for the procurement of the works, and this call for market engagement provides both an opportunity for the supply chain to find out more about the works and for Magnox to learn more about the supply chain and its skills and experience to deliver on these requirements.

Magnox will be holding a market engagement webinar at 14:00 on 15 December 2022. Companies are invited to register for the webinar through the Atamis Message Centre confirming the names of proposed attendees. Registration closes at midday on 15 December 2022.

The Key outcomes from this preliminary market engagement are:

1. Understand whether the market can deliver the scope of works
2. Understand level of supplier interest in tendering for the works
3. Information on how the suppliers can contribute to Social Value

Attendance at the supply chain engagement webinar is not a pre-requisite for being able to submit a tender against any subsequent procurements in relation to this preliminary market engagement. If you are unable to attend the preliminary market engagement webinar, the information pack, along with slides and Q&A will be made available. To facilitate further supply chain engagement, Magnox will also share a list of all those companies that attended the webinar after the event.

Please note that this Notice and the market engagement webinar are in advance of the main competition Contract Notice when the ITT documentation will be made available. There are no ITT documents available with this PIN and suppliers do not need to complete a Selection Questionnaire. Magnox is however looking for feedback from potential suppliers on the event.

Any information gathered through this market consultation exercise may inform internal business planning and any possible subsequent procurement process and will NOT be appraised in any future tender evaluation exercise. Interested parties who choose to participate in the preliminary market consultation do so at their own cost and expense. Magnox shall not be liable for any such costs or expenses under any circumstances.
