II.2.4) Description of the procurement

The Scottish Government is looking to establish a Dynamic Purchasing System to provide grant fund manager services to a range of grants.

The key service requirement will be the administration and distribution of grant funds and associated pre and post funding activities. Suppliers will also be expected to make all necessary arrangements to ensure that the full value of available funding is appropriately spent in each financial year, provide the required Management Information (MI) as requested by the Scottish Government, ensure suitable staff are trained and qualified in service delivery as well as having arrangements in place to ensure that all information held shall be securely and sensitively managed. Full detailed requirements will be contained within each call off tender documentation.

No form of volume guarantee has been granted and the Authority shall not be bound to order any of the services.

Please note that the forecast value of the DPS is based on the value of the fund manager services, not the value of the grant funds.

Please note that the anticipated value of the DPS is based on the value of the fund manager services and not the value of the grant funds. We envisage that the value of the call-off contracts (and the grant funds to be managed) to range from thousands to multi millions however, no form of volume guarantee has been granted by the Authority.

If your application to join the DPS is successful, you will have the opportunity to bid for the Call-off contracts with effect from that point.

Call-offs under the DPS will be issued electronically via PCS-t, however, for those who do not use PCS-t, alternative electronic routes may be used and are acceptable.

The DPS will be available for use by the Scottish Ministers (including Agencies).

Further details can be found in the Information for Participants document within the General Attachments area on PCS-t.

The Authority is utilising PCS-t for this exercise and the Project Code is 25336. For more information please see: PCS-Tender (Information) - Public Contracts Scotland
