Changes to notice

This notice has been edited. The [previous version](#) is still available.

Incorrect date for Contract Start, now amended

Scope

Description

NHS LPP intends to re- procure a framework agreement for the provision of parenteral

nutrition (PN). These products are vital for patients with complex nutritional requirements across neonates, critical care, oncology, gastroenterology, paediatrics and neonates. The final structure and scope of the framework are subject to change following a market needs assessment.
