Description

Cardiff University Campus Facilities requires a business partner to provide a coach transport service for Students in University Residences. The successful business partner will transport students between sites during the academic term only (approximately 33 weeks) from September to June, in line with the Academic Timetable.

It is essential that Cardiff University retains flexibility in amending any scheduled services or requesting additional journeys within the service. Service review meetings will take place at the end of each term so adjustments can be made in readiness for the next term.
