Scope

Description

We are pleased to announce our intention to procure a Community & Statutory Advocacy Service aimed at providing comprehensive support and representation for individuals in need. This service will cater to those who require assistance navigating statutory systems, advocating for their rights, and accessing community resources. The objective is to empower individuals with the tools and support necessary to voice their concerns, make informed decisions, and achieve positive outcomes in various aspects of their lives. We are exploring various service models that demonstrate the capability to deliver high-quality, evidence-based advocacy solutions. This initiative aims to foster a supportive community through effective and empathetic advocacy programs for those requiring assistance.
