The Mental health training for managers project aims to give managers skills to support their colleagues with mental health issues. We need a supplier who can deliver a comprehensive organisation-wide learning and development solution and provide strategies and tools to practice and embed the required knowledge and behaviours across our organisation.

The solution will ideally be an off the shelf package and needs to include:

- E-learning training modules
- In depth face to face learning

All of which will need to be tailored to the types of roles within our organisation e.g. Managers, staff with pastoral care responsibilities etc.
