The decision was proposed by a Senior Commercial Specialist at Countess of Chester Hospital NHS Foundation Trust, and approved by the Commercial Procurement Manager and the Director of Commercial Procurement Services for Countess of Chester Hospital NHS Foundation Trust.

No conflicts of interest were detected or declared during the procurement process.

The relative importance of the key criteria that the relevant authority used to make a decision are set out at section II.2.5 of this notice. Each of the 5 Key Criteria elements were weighted in consideration of the subject-matter and with a view to securing the needs of the people who use the services, improving the quality of the services, and improving the efficiency of the provision of the services.

The chosen providers met the selection criteria and met or exceeded the published required minimum total score of 60% across the key criteria for award to the Framework
