The proposed model will cover Lancashire and South Cumbria.

There will be a maximum of 1 contract totalling £1,082,222 for the full contract length (1 year plus an optional 1 year extension).

The overall annual overall value is £541,111.

The £541,111 per annum consists of £340,000 from the ICB, £69,927 from Lancashire County Council, £64,0000 from Blackburn with Darwen Council, £14,056 from Blackpool Council and £53,128 from Westmorland & Furness Council.

The provider will need to propose activity levels for each of the funding allocations as part of the tender process.

Activity will be reviewed on a monthly basis. ICB activity will be delivered first and once

the agreed level is met, activity will be delivered on behalf of the appropriate Local Authority, and separate funding released to the provider.

The ICB has set an affordability threshold within the Procurement and reserves the right not to consider Bids that are unaffordable and above the affordability envelope. This will be checked during the preliminary stages of the evaluation during the compliance checks. The ICB may seek clarification on bids that are unusually low or above the affordability threshold. Following clarification, it will reserve the right not to consider Bids that are either above the affordability threshold or unusually low. There isn't a competition on price. Bidders who submit a bid over the maximum contract values, will not achieve the score of a pass. Their bid will be regarded as non-compliant and be a failed bid and the rest of the bid will be rejected and the scoring questions will not be evaluated.
