DWP will then route this digital correspondence to the relevant business unit in DWP for processing. This contract will also include the hard-copy storage of records, both in the short-term following an inbound item being scanned and longer-term hard-copy storage of physical items relating to citizens, staff and corporate records. All items held in storage, whether short-term or longer-term must be securely stored, maintained, retrieved and destroyed in-line with the DWP retention policies.
