## **VII.2) Information about modifications**

### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The Inhealth Direct Access contract has been modified between 1st April 2025 - 31st March 2029. The modification reflects additional expected activity (increase in patient volume) to the existing community MSK service model.

### **VII.2.2) Reasons for modification**

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

This modification is made in response to a change of expected patient/service volume for community diagnostics (although do not render the contract or service nature materially different in character).

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £19,021,917

Total contract value after the modifications

Value excluding VAT: £21,602,554
