Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

2 x 12 month extension options

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

In the event that any backup LV generator set or associated equipment (such as Automatic Transfer Switches, control panels, or fuel systems) is deemed beyond economic repair or reaches the end of its operational life, the supply and installation of replacement generator sets and related equipment will be considered an additional chargeable item. The contractor will provide a detailed proposal outlining the cost of replacement units, including all labour, materials, delivery, and commissioning. This will be subject to the university's approval before any work is undertaken. Additionally, any upgrades to enhance system capacity or efficiency will also fall under this category.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information
