II.2.4) Description of the procurement

The aim of this periodic indicative notice is to give advance notice of the upcoming procurement prior to the release of the contract notice which is due early December 2022. Contractors are invited to provide early expressions of interest in relation to this opportunity.

It is proposed that the scope shall be for the Contractor to be responsible for the design and construction of a new RoRo berth to replace the existing facility at Berths No. 4 and 5

Berthing/Mooring Dolphin Structures

- Construction of berthing/mooring dolphins with associated access walkways to accommodate the new design vessels
- Modifications of the existing berthing/mooring dolphins (if applicable) to support the new design vessel

Floating Quarter and Axial Stern Ramp Pontoon

- Construction of a new floating platform to accommodate new design vessel quarter/axial stern ramp vessels

Approach Bridge and Bank seat

- Re-use or construction of a new fixed approach bridge and bank seat
- Existing linkspan (installed in 2013) to be incorporated within concept design

II.3) Estimated date of publication of contract notice

12 December 2022

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

If you wish to indicate an early expression of interest in relation to this opportunity, please provide as a minimum the following information and submit to the Peel Ports Sourcing Team mailbox sourcing@peelports.com

- Company Name
- Contact details, including location telephone and e-mail address, main point of contact and position in Company

It is anticipated that the Contract Notice, formally commencing the procurement event (including the issue of tender documents), will be issued early December 2022 with anticipated Contract Award of April 2023.
