II.2.4) Description of the procurement

A Delivery Partner with suitable residential development experience is required to act as contractor for the aforementioned residential development proposals.

Warwickshire Property Development Limited (a subsidiary of Warwickshire Property Development Group Limited) as the arms length development vehicle for Warwickshire County Council is fully funding the development as described and will take sales risk in relation to the proposed development.

The preferred delivery partner will be required to have sufficient experience of residential developments of this scale and in this locality, must have in house or ability to procure all the necessary specialist inputs for design and build of the proposed housing development including all above and below ground requirements.

Upon satisfactory receipt and scoring of the SQ/EOI a shortlist will be invited through to an ITT where a more comprehensive scoring matrix will assess the suitability of the interested parties. The conclusion of this will enable the selection of a preferred partner where a PCSA will be entered into. The PCSA will seek to achieve reserved matters planning consent and will allow parties to design a deliverable specification of housing

and agree a contract sum to enter a build contract.
