VI.3) Additional information

The commitment to deliver 'social value' outcomes from our procurement activity is designed to ensure that wider social and economic

issues are taken into account, when spending public money in line with The Well-being of Future Generation (Wales) Act 2015. With the

intention to achieve the very best value for money and improving the social, economic, environmental and cultural well-being of Wales.

Welsh Government Commercial Delivery does not guarantee that a call for competition will definitely take place as a result of this Prior

Information Notice.

Welsh Government Commercial Delivery may change both the scope and the structure of this framework procurement as a result of market

and customer engagement.

Market Engagement:

The WGCD will provide a supply market briefing presentation on the new ITPS framework proposals to interested suppliers. Suppliers will have the opportunity to ask questions and/or provide feedback on the framework proposals included in the presentation prior to the framework contract opportunity being issued.

If you would like to receive a copy of the presentation please register your interest in this Notice via the 'Further Information' tab, 'Additional Notice Options'. The presentation will be issued to suppliers who have registered interest in this notice after 21st November 2024.

Please note that recording your interest does not automatically enter you into the tender process for this notice.

Full details, including how to formally register and express an interest in tendering will be included in the FTS Notice.
