II.1.4) Short description

Health Education and Improvement Wales (HEIW) is undertaking a strategic review of commissioned health professional education and training services across NHS Wales. HEIW commissions both pre-registration and post-registration qualifications for both the future and current NHS Wales workforce. Through undertaking the review of education, HEIW identified a requirement to procure the provision of Post Graduate Modules in Genomics Education and Training Services. HEIW sought to procure more inclusive and accessible genomics education and training services for the wider NHS Wales workforce in order to improve genomics awareness and understanding. This procurement consists of 7 Lots that are reflective of each individual module HEIW will commission.
