Digital Triage Tools

Reference number

TVP00674

II.1.2) Main CPV code

- 48000000 - Software package and information systems

II.1.3) Type of contract

Supplies

II.1.4) Short description

Thames Valley Police (TVP) as the Authority is interested in suppliers that can provide a range of Digital Forensic Triage Software Tools for use by various teams across Thames Valley Police and Hampshire Constabulary (HC).

II.1.5) Estimated total value

Value excluding VAT: £50,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 35200000 - Police equipment
- 30210000 - Data-processing machines (hardware)
- 30236200 - Data-processing equipment
- 32260000 - Data-transmission equipment

- 48100000 - Industry specific software package
- 48900000 - Miscellaneous software package and computer systems

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

Thames Valley Police that cover the counties of Oxfordshire, Berkshire and Buckinghamshire and Hampshire Constabulary cover the counties of Hampshire and the Isle of Wight.

II.2.4) Description of the procurement

Thames Valley Police (TVP) and Hampshire Constabulary (HC) are interested in suppliers that can provide a range of Digital Forensic Triage Software Tools, those that can be used by multi-disciplined front line teams for evidential collection and analysis, and those that can be used for analysis and evidential prioritisation of digital devices, complementing an already existing suite of triage technologies.

Multi-disciplined teams in this project are frontline digital technicians and offender management roles. Whilst it is envisaged that a procurement for tools will follow for the digital technicians, the offender management tools is purely discovery work at this time.

The Authority is interested in commercial off the shelf (COTS) technologies, covering both pre-configured and customisable solutions that collect and analyse digital evidence from different operating systems and across extensive file types, with comprehensive output reporting options. Solutions must work with the CAID dataset and should support relevant accreditation standards ISO 17020 and ISO 17025 where applicable.

II.2.14) Additional information

Interested parties will have an opportunity to engage with TVP and HC stakeholders and demonstrate solutions at a virtually hosted pre-market engagement session, provisionally scheduled for February 2023.

II.3) Estimated date of publication of contract notice

3 April 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

To participate, interested parties (including SMEs, social enterprises, voluntary or community organisation) must be registered on Bluelight with up-to-date contact details to include company name and E mail. The available document to download is: "TVP00674 Digital Triage Tool Questionnaire." TVP are requesting interested parties complete the questionnaire by 6th January 2023. If you have any issues accessing these documents please contact paula.kibble-white@thamesvalley.police.uk
