### **Contract 1**

This contract will not be signed.

### **Date of decision not to sign contract**

19 June 2025

### **Reason for not signing contract**

This notice is to inform the market that the Police & Crime Commissioner for Warwickshire do not intend to currently continue any further with a procurement for Out of Court Resolution Referral services. A preliminary market engagement notice was published in May 2025 in order to gather further information regarding potential providers of Out of Court Resolution Referral services. Following this exercise and having reviewed all responses, we have decided not to make any changes to our current OOCR provision at

this time. We note however that this sits separately to any grant funding that may be available via the Office of the Police and Crime Commissioner. We have passed supplier information along to our OPCC commissioned services team.
