Weighting description

At this stage, suppliers will be assessed against defined selection criteria to ensure they have the necessary capability, experience, and financial standing to deliver the contract. The selection criteria include:

Financial standing - minimum annual turnover of £3.3 million

Technical and professional ability - relevant experience delivering similar contracts

Insurance cover - confirmation of required insurances (e.g. public liability, employers' liability, professional indemnity)

Compliance checks - confirmation of legal and regulatory compliance, including exclusion grounds under the Procurement Act 2023

Operational capability - ability to deliver services across the specified regions and meet response times

Health and safety, data protection, and equality policies - appropriate policies and procedures in place

Suppliers will be evaluated on a pass/fail basis for minimum requirements, and scored on qualitative responses to determine shortlisting for the next stage.

Procedure

Procedure type

Competitive flexible procedure

Competitive flexible procedure description

This procurement is being conducted under the Competitive Flexible Procedure in accordance with section 20 of the Procurement Act 2023. The process is structured as a two-stage procedure, consisting of the following steps:

Request to Participate - PSQ Stage (Current Stage):

Suppliers are invited to submit responses to this Pre-Selection Questionnaire (PSQ), which will be evaluated on a pass/fail and scored basis. The PSQ assesses economic and financial standing, technical and professional ability, and compliance with relevant legislation and policies. Only those Participants who meet the minimum requirements and score sufficiently in the evaluation will progress to the next stage.

Shortlisting:

Aster Housing intends to invite between 3 and 5 highest scoring Participants per Lot to submit a full tender. However, Aster reserves the right to include any additional suppliers whose scores fall within 5 points of the highest scoring bidder, to preserve competition.

Invitation to Tender - ITT Stage:

Shortlisted Participants will receive an Invitation to Tender (ITT), which includes the detailed specification, contract terms, evaluation methodology, and pricing documents. This stage will evaluate the final bid submissions based on quality and cost criteria.

Clarification and Final Bid Submission:

A single round of clarifications will be permitted during the ITT period. Final tenders must be submitted by the stated deadline. Evaluation will be conducted by an internal panel in accordance with the published criteria.

Standstill and Award:

Following evaluation and moderation, a formal award decision will be communicated. A standstill period will apply in accordance with the Act. The contract will then be finalised and mobilised, with notices published on the central digital platform.
