I.5) Main activity

Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Provision of a Managed Service for Imaging / Radiology (Including Nuclear Medicine and PET) and related services across University Hospitals Birmingham NHS Foundation Trust

Reference number

PROC.08.0004

II.1.2) Main CPV code

- 51411000 - Installation services of imaging equipment

II.1.3) Type of contract

Services

II.1.4) Short description

The Trust is seeking to appoint a Supplier to deliver a fully integrated end-to-end managed service solution to provide benefits and efficiencies to the Trust, Clinical staff and service users.

The successful bidder will manage the provision of the complete service as described in this and other attached documents. This will include funding, equipment installation and commissioning and the supply of, training, maintenance, consumables, service availability and supporting services, along with any third party involvement.

The successful bidder will take over existing assets and contracts from the Trust and enter into contracts with new providers on behalf of the Trust.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 33111000 - X-ray devices

- 33112000 - Echo, ultrasound and doppler imaging equipment
- 33113000 - Magnetic resonance imaging equipment
- 33115000 - Tomography devices
- 33140000 - Medical consumables

II.2.3) Place of performance

NUTS codes

- UKG - West Midlands (England)

II.2.4) Description of the procurement

UHB Imaging Services are situated across four main sites, Queen Elizabeth Hospital (QEH), Birmingham Heartlands Hospital (BHH), Good Hope Hospital (GHH) and Solihull Hospital (SH).

Additional Departments include Nuclear Medicine, Birmingham PET Centre and Birmingham Chest Clinic (BCC). The Breast Service for QEH (which include Breast Screening) is located at Birmingham Women's Hospital (BWH) but is a function of UHB.

UHB Imaging Services provides comprehensive services, accepting both regional and supra-regional diagnostic and interventional referrals to a wide range of clinical specialties. The service also supports large and busy emergency departments across all sites except Solihull Hospital. The Department at QEH provides imaging support for the Royal Centre Defence Medicine and is a Level 1 Major Trauma Centre.

Across the sites Imaging Services carries out in the region of 900.000 examinations and procedures each year, spread across all of the diagnostic and interventional modalities.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

31 July 2023

End date

31 July 2038

This contract is subject to renewal

Yes

Description of renewals

The term of the contract will be fifteen (15) years from service commencement extendable by up to a maximum of a further twenty-four (24) months at the Trusts request. It is estimated the contract will commence in July 2023.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

Option 1 – equipment only

Option 2 – equipment and inventory management system / consumables

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure
