IV.1) Description

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons
- New works/services, constituting a repetition of existing works/services

Explanation:

This is a direct award of contract to the Local Government Association (LGA) and the Association of Directors of Adult Social Services (ADASS) for critical support for the adult social care (ASC) front line between 1/10/2022 and 31/3/2023.

We are working to open a competitive tender exercise to replace this contract, and need to maintain continuity of service given the nature of the requirement.

The market is currently constrained because there have been no opportunities to deliver this activity openly available. As this is the first time we have gone to competitive tender for the activity, we intend to conduct more market engagement activity to help warm up the market to this new opportunity and maximise the benefit of the competitive tender.
