Description

The Liverpool City Region Transport Model (LCRTM) is a multi-modal, strategic-level, transport model spanning the entire Liverpool City Region. It is currently based on pre-Covid travel data, with a base year of 2019. The Liverpool City Region Combined Authority (LCRCA) wish to appoint a consultant to update LCRTM to represent current travel patterns and enhance the public transport elements of the model.

Engagement

Engagement deadline

8 July 2025

Engagement process description

LCRCA will be hosting an online 90-minute presentation session via Teams for interested suppliers between 13:00 and 14:30 on Tuesday 8 July 2025, limited to two attendees per company.

We will present a slideshow for between 20-30 minutes, outlining the requirement and the expected quality levels we are looking for from bidders, with the remaining session time available for interested suppliers to ask questions.

Interested suppliers should confirm their attendance to the presentation session to michael.potter@liverpoolcityregion-ca.gov.uk and sarah.pierce@liverpoolcityregion-ca.gov.uk by no later than 4pm on Monday 7 July 2025; following which they will be sent an invite to the presentation session.

A Q&A sheet capturing the discussion, and the presentation slides will be shared as part of the tender documentation for suppliers unable to attend the session.
