II.2.4) Description of the procurement

Defra requires expert scientific and technical advice and socio-economic analysis expertise to undertake the evaluation of applications for exemptions to the RoHS Regulations. This includes appraising EU decisions on applications made to the European Commission before the end of the Transitional Period for which “transitional provisions” are set out in The Hazardous Substances and Packaging (Legislative Functions and Amendment) (EU Exit) Regulations 2020. This avoids the need for separate applications to be made for those exemption requests to apply in GB.

II.3) Estimated date of publication of contract notice
