VI.3) Additional information

Scotland Excel is acting on behalf of Dumfries and Galloway Council in the execution of this tender. Any contract that is awarded at the end of this procurement exercise will be awarded by Dumfries and Galloway Council, and will be between Dumfries and Galloway Council and the successful bidder.

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 22866. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

A sub-contract clause has been included in this contract. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2363>

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

A summary of the expected community benefits has been provided as follows:

Dumfries and Galloway Council are committed to maximising community benefits from contracts for works, goods and services in which the Council has an interest. Community benefits aim to improve the economic, social or environmental wellbeing of the area. Under this contract the successful supplier will be requested to support Dumfries and

Galloway Council's economic, environmental and social regeneration objectives to achieve wider benefits.

Based on the estimated value of this contract, any successful supplier will be required to meet a minimum number of community benefits points. Community Benefits Menu provides a range of community benefits outcomes that Tenderers can offer, which must be specific to the contract. It is up to each Tenderer to decide what community benefit outcomes they wish to choose. There is no limit to the community benefits that a Tenderer may offer, and the total community benefits points may exceed the stated expectation.
