Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Independent Assessor (AsBo, ApBo and DeBo) for the Cardiff Central Enhancement Programme (CCEP)

Reference number

C001104.00

II.1.2) Main CPV code

- 71311000 - Civil engineering consultancy services

II.1.3) Type of contract

Services

II.1.4) Short description

With a projected passenger growth of over 50% by 2043 means there is a need to upgrade the Cardiff Central railway station to meet the additional passenger demand whilst enhancing the passenger experience and integrating sustainable travel modes. Cardiff Central Enhancement Programme (CCEP), led by Transport for Wales (TfW) on behalf of the Welsh Government, proposes a series of enhancements at the station to address the following drivers for change:

- Alleviate congestion and improve capacity within the station.
- Improve user experience and facilities.
- Enhance interchange, connectivity, and resilience.

The aim of this contract notice is to procure an independent assessment and verification services for CCEP.

II.1.5) Estimated total value

Value excluding VAT: £600,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 71311000 - Civil engineering consultancy services

- 72246000 - Systems consultancy services

II.2.3) Place of performance

NUTS codes

- UKL - Wales

II.2.4) Description of the procurement

The scope of this contract is to provide independent assessment and verification services for the Cardiff Central Enhancements Programme (CCEP).

The CCEP project scope can be found in Annex 1.

The project is managed and delivered by TfW, which is a company set up by Welsh Government to manage the transport infrastructure on behalf of the Welsh Government. In the context of this project, TfW is a third-party developer on Network Rail infrastructure.

The project is governed through the TfW 'Plan of Works' (PoW) project lifecycle, which aligns with the Network Rail Project Acceleration in a Controlled Environment (PACE) project lifecycle as shown below:

TfW Plan of Work (PoW)

Stage A – Develop Output Requirements and Options

Stage B – Options Development and Selection

Stage C – Preliminary Design

Stage D – Statutory Process

Stage E – Detailed Design

Stage F – Construct, Commission and Handover

Stage G - Closeout

The proposed works will be carried out in accordance with the Railways (Interoperability) Regulations 2011 (as amended) (RIR) and the Common Safety Method for Risk Evaluation & Assessment (CSM-REA).

The Supplier shall provide the following roles for the project:

? Assessment Body (AsBo) to provide independent verification for compliance with CSM-REA;

? Approved Body (ApBo) to provide independent verification for interoperability in accordance with the applicable National Technical Specifications Notifications (NTSNs) under the RIR;

? Designated Body (DeBo) to provide independent verification for interoperability in accordance with the applicable National Technical Rules (NTRs) under the RIR.

The above roles shall be undertaken by suitably qualified and competent personnel with prior experience providing similar roles on multi-disciplinary rail projects. System Safety Assurance Qualifications or equivalent required.

The AsBo, ApBo, and DeBo shall support TfW in delivering the safety assessments and authorisation tasks to enable Entry into Service (EiS) and Authorisation for Placing into Service (APiS).

The required safety assessment and authorisation tasks are specified in TfW's System Safety and Authorisation Strategy (document ref: TfW-ENG-PRO-ID00299).

The system safety and authorisation approach to be followed throughout the project lifecycle is specified in the Cardiff Central Enhancements Programme System Safety and Authorisation Plan (document ref: W001147-TFW-00-REP-ESS-000003).

The Tenderers will need to provide evidence on the following accreditation standards:

? Accreditation Standards UKAS ISO/IEC 17020 (AsBo: Product Conformity Certification)

? Accreditation Standards UKAS ISO/IEC 17065 (ApBo/DeBo: Inspection Body)

? Accreditation Standards ISO 9001 (Quality Management Systems)

The Tenderers will need to:

? Work collaboratively with TfW to ensure a progressive assurance approach for all documents outlined in Volume 2

? Key dates

? Key milestones

? Working remotely as well as in person at the Pontypridd office or the Cardiff Central office (St. Patrick's House) ad-hoc

Quality criterion - Name: Methodology / Weighting: 15

Quality criterion - Name: project Validation approach / Weighting: 10

Quality criterion - Name: Response to annex 2 case study / Weighting: 10

Quality criterion - Name: Value for Money / Weighting: 5

Quality criterion - Name: Collaboration / Weighting: 10

Quality criterion - Name: Organogram & Key skills and experience / Weighting: 10

Quality criterion - Name: Objectives under the Well-being of Future Generations Act / Weighting: 10

Price - Weighting: 30

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

Yes

Description of renewals

Option to extend for up to 12 months

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

As per the tender documentation

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

25 November 2024

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English, Walloon

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 3 (from the date stated for receipt of tender)

IV.2.7) Conditions for opening of tenders

Date

25 November 2024

Local time

2:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

NOTE: The authority is using eTenderwales to carry out this procurement process. To obtain further information record your interest on Sell2Wales at
