II.1.1) Title

Land & Structural Condition Monitoring Framework

Reference number

CA180553 Tilt

II.1.2) Main CPV code

- 79311300 - Survey analysis services

II.1.3) Type of contract

Services

II.1.4) Short description

The Coal Authority invites you to submit a tender for the provision of services relating to condition monitoring on land and structures. We are offering this Framework opportunity on the basis of a 4 year contract.

II.1.5) Estimated total value

Value excluding VAT: £600,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Lot No

1

II.2.2) Additional CPV code(s)

- 51210000 - Installation services of measuring equipment
- 71315300 - Building surveying services
- 71353000 - Surface surveying services
- 71700000 - Monitoring and control services

II.2.3) Place of performance

- UKC - North East (England)
- UKD - North West (England)
- UKE - Yorkshire and the Humber
- UKF - East Midlands (England)
- UKG - West Midlands (England)
- UKJ - South East (England)
- UKK - South West (England)
- UKL - Wales
- UKM - Scotland

Main site or place of performance

This work will mainly be based over the Coal Fields of England, Scotland and Wales.

There may be limited requirements outside of these areas.

II.2.4) Description of the procurement

The Coal Authority requires a service provider who can design, install and analyse data from Monitoring devices for use with Buildings or Landscapes which may be subject to Movement.

We will also require the interpretation of this data in order to enable us to advise if movement is due to the impacts of historic mining or some other cause.

On occasion these services will need to be deployed at pace in order to establish if there is a need for residential evacuation.

We also require that appointed organisations act as an expert witness should any situations arise where our judgement is called to a tribunal.

It is intended that Lot One will mainly be used our our Public Safety and Subsidence department for the monitoring and analysis of Stuctural damage caused by Historic Coal Mining. Other departments and permitted bodies may also make use of the Lot.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £600,000
