A robust and secure Information Management System (IMS) with 'real-time' information for

the safe and effective operation of the Lifeline Crisis Response Service

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - protection of exclusive rights, including intellectual property rights

Explanation:

During 2021 significant security concerns with the existing CIMS were identified and it was agreed that a move to a MS Dynamics system was essential. A Direct Award Contract - ref DAC9980 - was approved to address urgent operational and security issues and to update the system as well as secure support arrangements for the existing CIMS for a further two year period until the new IM solution was implemented. Work has been continuing since August 2021 to move the existing CIMS over to a more secure Dynamics 365 platform whilst retaining full operational integrity. The current provider has identified significant cost increases that exceed the limit of the previous Direct Award Contract and a further award is required to complete the work as a matter of priority

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract

A contract/lot is awarded: Yes
