Water

---

## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Target Costing Automation System

Reference number

2023 0915

#### **II.1.2) Main CPV code**

- 72212440 - Financial analysis and accounting software development services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

Currently the calculation of final determination and target costs for the investments involves large calculation spreadsheets which are linked to thousands of individual spreadsheets and requires considerable manual effort. Anglian Water is looking to automate the steps involved in the calculation where possible and integrate the activity with the preceding and downstream steps. Any system envisaged to meet this business need would have to overcome the challenge posed by the volume and complexity of projects that span across multiple business teams.

#### **II.1.6) Information about lots**

This contract is divided into lots: No

### **II.2) Description**

#### **II.2.2) Additional CPV code(s)**

- 72212441 - Financial analysis software development services
- 72212442 - Financial systems software development services
- 72212443 - Accounting software development services
- 72212990 - Spreadsheets and enhancement software development services

- 72212991 - Spreadsheet software development services

### **II.2.3) Place of performance**

NUTS codes

- UKH - East of England

### **II.2.4) Description of the procurement**

Currently the calculation of final determination and target costs for the investments involves large calculation spreadsheets which are linked to thousands of individual spreadsheets and requires considerable manual effort. Anglian Water is looking to automate the steps involved in the calculation where possible and integrate the activity with the preceding and downstream steps. Any system envisaged to meet this business need would have to overcome the challenge posed by the volume and complexity of projects that span across multiple business teams.

### **II.3) Estimated date of publication of contract notice**

1 May 2024

---

## **Section IV. Procedure**
