The Air Main Repair Works required will be on an as-needed basis by TfL. The working hours will vary between day, night, bank holidays, Christmas and weekend shifts (base on engineering working hours of LU or network rails and its requirements).

The resources must have the necessary skills and expertise within the disciplines listed at the time the contract is called off. Additionally, they must possess Sentinel card or LU equivalent, relevant work experience, medical certification, and any other requirements specific to their role.

Please note that this PIN is not an invitation to tender and does not constitute a call for competition to procure any services, supplies, or works. Its purpose is to raise market awareness and allow interested parties with appropriate experience to express their interest in this framework. Participation in the PIN is not a prerequisite to, and will not prejudice, participation in any future competitive process.

The information in this PIN or any communication between TfL and a supplier should not be considered a contract, agreement, or representation that a contract will be offered. If TfL decides to proceed with a procurement exercise, they will publish a separate contract notice.

Any future procurement will be conducted in accordance with the Open procedure, under the new legislation Procurement Act 2023 (Act). Also, this selection will be referred to as the Railway Signals Labour Framework for future reference.

VI.1) Additional information

TfL have switched to a new sourcing/e-tendering portal - SAP ARIBA, meaning that TfL's processes are now different to those that economic operators may be familiar with. The following instructions explain this new system and provide guidance on how economic operators/suppliers can access tenders through the new system and communicate with TfL:

1. To register or to check if you are already registered to SAP Ariba, log on to

<https://service.ariba.com/Supplier.aw>. Interested parties must read the instructions carefully before proceeding with registration. For help on using the SAP Ariba system, please refer to https://support.ariba.com/Adapt/Ariba_Network_Supplier_Training. If the problem persists please contact Ariba_Supplier_Enablement@tfl.gov.uk.

2. Once you have registered on SAP Ariba (or are already registered), you must also register on TfL's SAP Ariba system through the following link

<https://s1-eu.ariba.com/Sourcing/Main/ad/selfRegistration?realm=TfL>.

3. Upon completion of steps 1 and/or 2, interested parties should submit their interest via email to the TfL Commercial team inbox signalcategorycommercialteam@tfl.gov.uk with the following details:

- Company Name:
- Key Contact Name:
- Email address / Telephone Number:
- Registered Company Name (as it appears on the portal):
- Applicable vendor ID (as it appears on the portal):
- Full Contact Name/s of the invitees for the future tender opportunity (as it appears on the portal):
- Contact email address/s of the invitees for the future tender opportunity (as it appears on the portal):

This will enable us to invite you to the tender event in SAP Ariba. Please submit your interest

by 17.00 25th November 2024.

You will then have unrestricted and full access to all available documents, free of charge through your dashboard when you login to SAP Ariba at

<https://service.ariba.com/Supplier.aw>

Should you experience any problems with the portal please contact TfL Commercial lead.
