## **Generation Five (Gen5) Civil Engineering, Highways and Transportation Collaborative Framework 2024-2028**

HAMPSHIRE COUNTY COUNCIL

F01: Prior information notice

Prior information only

Notice identifier: 2022/S 000-034850

Procurement identifier (OCID): ocds-h6vhtk-038c0e

Published 8 December 2022, 5:20pm

### **Section I: Contracting authority**

#### **I.1) Name and addresses**

HAMPSHIRE COUNTY COUNCIL

The Castle

WINCHESTER

SO238ZB

#### **Email**

[strategic.procurement@hants.gov.uk](mailto:strategic.procurement@hants.gov.uk)

#### **Country**

United Kingdom

#### **Region code**

UKJ36 - Central Hampshire

### **Justification for not providing organisation identifier**

Not on any register

### **Internet address(es)**

Main address

[www.hants.gov.uk](http://www.hants.gov.uk)

Buyer's address

[www.in-tendhost.co.uk/hampshire](http://www.in-tendhost.co.uk/hampshire)

### **I.3) Communication**

Additional information can be obtained from the above-mentioned address

### **I.4) Type of the contracting authority**

Regional or local authority

### **I.5) Main activity**

General public services

---

## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Generation Five (Gen5) Civil Engineering, Highways and Transportation Collaborative Framework 2024-2028

Reference number

ET19808

#### **II.1.2) Main CPV code**

- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork

**II.1.3) Type of contract**

Works

**II.1.4) Short description**

This PIN Notice is to notify interested parties of a market engagement event for the retender of the above framework. Further details of the event date and how to register can be found in the Additional Information under Section VI of this notice.

The Framework is primarily for civil engineering, highways and transportation infrastructure development related construction works. The Framework consists of four Lots, which are:

- Lot 1 (Gen5-1): Works with a maximum value of £250,000
- Lot 2 (Gen5-2): Works with a maximum value of £5,000,000
- Lot 3 (Gen5-3): Works with a value between £3,000,000 and £20,000,000
- Lot 4 (Gen5-4): Works with a value between £15,000,000 and £150,000,000

The Framework will be available to Participating Authorities, who can call-off from the Framework and will manage the individual call-off contracts. The Framework Agreement will be managed by Hampshire County Council through a dedicated team for day-to-day operations to ensure consistency and facilitate the sharing of best practice.

**II.1.5) Estimated total value**

Value excluding VAT: £500,000,000

**II.1.6) Information about lots**

This contract is divided into lots: Yes

**II.2) Description****II.2.1) Title**

Lot 1 (Gen5-1): Works with a maximum value of £250,000

Lot No

## **II.2.2) Additional CPV code(s)**

- 34922100 - Road markings
- 45111000 - Demolition, site preparation and clearance work
- 45112000 - Excavating and earthmoving work
- 45213300 - Buildings associated with transport
- 45220000 - Engineering works and construction works
- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork
- 45243000 - Coastal-defence works
- 45244000 - Marine construction works
- 45262300 - Concrete work
- 45342000 - Erection of fencing
- 71510000 - Site-investigation services

## **II.2.3) Place of performance**

NUTS codes

- UKJ - South East (England)
- UKK - South West (England)

## **II.2.4) Description of the procurement**

Covering projects for works of a straightforward nature and may typically include the following elements: carriageway and footway paving, junction improvements, traffic calming, small scale carriageway surfacing, cycleways, earthworks, drainage, traffic signs, road markings, car park works, fencing, landscaping, CCTV surveys, trial holes, works to rights of way, traffic management and traffic management design, winter maintenance support, small-scale retaining walls and accommodation works, adoptive works for new developments, site clearance, concrete works, school playground works, refurbishments and reconstructions, minor external works to public sector property, works for traffic signals and minor civil engineering and groundworks.

## **II.2) Description**

### **II.2.1) Title**

Lot 2 (Gen5-2): Works with a maximum value of £5,000,000

Lot No

2

### **II.2.2) Additional CPV code(s)**

- 34922100 - Road markings
- 45111000 - Demolition, site preparation and clearance work
- 45112000 - Excavating and earthmoving work
- 45213300 - Buildings associated with transport
- 45220000 - Engineering works and construction works
- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork
- 45243000 - Coastal-defence works
- 45244000 - Marine construction works
- 45262300 - Concrete work
- 45342000 - Erection of fencing
- 71510000 - Site-investigation services

### **II.2.3) Place of performance**

NUTS codes

- UKJ - South East (England)
- UKK - South West (England)

### **II.2.4) Description of the procurement**

Covering civil engineering, transportation and infrastructure development related construction work packages. Such as early contractor involvement, civil engineering works, retaining walls and culverts, work on new/reconstructed/replacement highway structures, footway maintenance and improvement work, carriageway construction, carriageway surfacing, infrastructure installation, kerbing and paving installation, drainage and ducting installation, installation of traffic signs, installation of street furniture, including street lighting and traffic signal equipment, installation of vehicle restraint systems, soft

landscaping and vegetation clearance, earthworks and embankment stabilisation, car park reconstruction and surfacing, works to access roads and other external works to public sector education and research property, traffic management and traffic management design, early contractor involvement, contractor design, bridge painting, building works associated with civil engineering projects, rail infrastructure works, airport works, sea defence and coastal works, river and canal works, flood defence works and construction of waste service facilities.

## **II.2) Description**

### **II.2.1) Title**

Lot 3 (Gen5-3): Works with a value between £3,000,000 and £20,000,000

Lot No

3

### **II.2.2) Additional CPV code(s)**

- 34922100 - Road markings
- 45111000 - Demolition, site preparation and clearance work
- 45112000 - Excavating and earthmoving work
- 45213300 - Buildings associated with transport
- 45220000 - Engineering works and construction works
- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork
- 45243000 - Coastal-defence works
- 45244000 - Marine construction works
- 45262300 - Concrete work
- 45342000 - Erection of fencing
- 71510000 - Site-investigation services

### **II.2.3) Place of performance**

NUTS codes

- UKJ - South East (England)

- UKK - South West (England)

## **II.2.4) Description of the procurement**

Covering civil engineering, transportation and infrastructure development related construction work packages. Such as, early contractor involvement including design and build, civil engineering works, retaining walls and culverts, work on new/reconstructed/replacement highway structures, footway maintenance and improvement work, carriageway construction, carriageway surfacing, infrastructure installation, kerbing and paving installation, drainage and ducting installation, installation of traffic signs, installation of street furniture, including street lighting and traffic signal equipment, installation of vehicle restraint systems, soft landscaping and vegetation clearance, earthworks and embankment stabilisation, car park reconstruction and surfacing, works to access roads and other external works to public sector education and research property, traffic management and traffic management design, bridge painting, building works associated with civil engineering projects, rail infrastructure works, airport works, sea defence and coastal works, river and canal works, flood defence works and construction of waste service facilities.

## **II.2) Description**

### **II.2.1) Title**

Lot 4 (Gen5-4): Works with a value between £15,000,000 and £150,000,000

Lot No

4

### **II.2.2) Additional CPV code(s)**

- 34922100 - Road markings
- 45111000 - Demolition, site preparation and clearance work
- 45112000 - Excavating and earthmoving work
- 45213300 - Buildings associated with transport
- 45220000 - Engineering works and construction works
- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork
- 45243000 - Coastal-defence works
- 45244000 - Marine construction works

- 45262300 - Concrete work
- 45342000 - Erection of fencing
- 71510000 - Site-investigation services

### **II.2.3) Place of performance**

NUTS codes

- UKJ - South East (England)
- UKK - South West (England)

### **II.2.4) Description of the procurement**

Covering civil engineering, transportation and infrastructure development related construction work packages. Such as, early contractor involvement including design and build, large scale civil engineering works, retaining walls and culverts, work on new/reconstructed/replacement highway structures, footway maintenance and improvement work, carriageway construction, carriageway surfacing, major development infrastructure installation, kerbing and paving installation, drainage and ducting installation, installation of traffic signs, installation of street furniture, including street lighting and traffic signal equipment, installation of vehicle restraint systems, soft landscaping and vegetation clearance, earthworks and embankment stabilisation, car park reconstruction and surfacing, works to access roads and other external works to public sector education and research property, traffic management and traffic management design, bridge painting, building works associated with civil engineering projects, rail infrastructure works, airport works, sea defence and coastal works, river and canal works, flood defence works and construction of waste service facilities.

### **II.3) Estimated date of publication of contract notice**

17 April 2023

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

---

## **Section VI. Complementary information**

### **VI.3) Additional information**

A Market Engagement Event is currently planned to be held on 09 February 2023.

Please register to attend the event using the links below.
