Scope

Reference

FIDELT003.1

Description

This dynamic market is for the provision of energy and energy management services to public authorities, with a separate lot or part for associated consultancy and value-added services.

Lot/Part 1 - Gas, Electric and Water Supply

Lot/Part 2 - Ancillary Services (including Consultancy and Goods)

Dynamic market dates (estimated)

8 August 2025 to 7 August 2033

Main procurement category

Services

CPV classifications

- 71314200 - Energy-management services

Contract locations

- UK - United Kingdom
-

Part 1. Gas, Electric and Water Supply

Description

Applicants to the dynamic market might be sole providers, dual providers, or providers of all three of gas, water and electricity.

Same for all parts

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all parts.

Part 2. Ancillary Services (including Consultancy and Goods)

Description

Ancillary services related to energy supply. This includes different types of consultancy, carbon reduction, and other forms of associated and relevant services to complement energy provision.

Same for all parts

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all parts.

Using the dynamic market

Contracting authorities that may use the dynamic market

Any contracting authority as defined by the Procurement Act 2023, and any public sector authority.
