Service Specific Outcomes

- Improve mental health provision for CYP in N&W through equitable access to training, learning resources and research for all areas of the CYP workforce/support network
- Build networks between organisations so that learning and training can be shared, improving consistency in training offers and partnership working
- Improved CYP MH staff recruitment, retention, wellbeing, and satisfaction
- Increase efficiencies in community mental health support for CYP&Fs through training and shared induction modules
- Increase knowledge, confidence, and skills of recipients of training (and Mental Health Champions) to identify poor mental health and associated risks, and increased ability to support CYP in social, emotional and mental health development
- Reduce stigma and empower the system to take an active role around mental health and raise awareness that CYP emotional wellbeing and MH is everyone's business
- Increase awareness of the CYP workforce and parents/carers of their local CYPMH services, what they offer, and increase confidence of how to access them

- Reduce fragmentation, enhance networking, encourage problem solving and aid systemic conversations through shared learning, increased knowledge and expertise across partners
- Raise profile and prioritisation of mental health within CYP settings.
