Please note: The Authority will not accept or respond to any clarification questions on the requirement at this stage.

The planned timeframe for issue of the Invitation to Tender for this requirement is 2 to 4 months from publication of this advert.

Your response submitted via the DSP should only contain information with the Security Classification Official Sensitive or below. If your response contains information with a Security Classification higher than Official Sensitive, please contact the Authority for appropriate submission instructions.

Contract Value/Duration:

The Contract has an anticipated duration of Five (5) years from Contract Award with an additional 1-year Option. The final confirmed duration including any Contractual Option (s), and/or break points will be confirmed in the Invitation to Tender documentation.

The Estimated Value of Contract (circa £30M) represents the estimated maximum value of the Contract. The maximum figure is only an estimate, and the total cumulative value of work may be above or below this figure.

Process:

Interested companies are required to complete a Dynamic Pre-Qualification Questionnaire (DPQQ) to provide the Authority with information to evaluate the company's capacities and capabilities against the selection criteria.

The Authority will use the DPQQ response to create a shortlist of tenderers who:

- a) are eligible to participate.
- b) fulfil any minimum economic, financial, professional, and technical standards; and,
- c) best meet in terms of capacity and capability the selection criteria set out below

The Pre-Qualification Questionnaire Selection Criteria can be found in the attached supporting documents.

The closing date for submission of responses is 18/01/2022. Responses received after this closure date/time will be discounted.

Potential tenderers will be scored in accordance with the criteria listed. A maximum of the 6 highest scoring potential providers shall be taken through to the ITT stage. A minimum score of 30 (Adequate) shall be required for all scored and weighted questions to allow the Potential Provider to progress to the ITT stage for this requirement. All remaining questions will be PASS/FAIL. An evaluation of a FAIL shall result in an unsuccessful result, and the potential tenderer will not be included within the next stage of tendering for this requirement.

The Authority reserves the right to exclude a potential tenderer if the estimated contract value exceeds 50% of that potential tenderer's annual turnover.

Information and formalities necessary for evaluating if the requirements are met as per: "Annex A – DPQQ Guidance and Evaluation Plan," "Annex B – DPQQ Selection Criteria," "Annex C – DPQQ Economic and Financial Standing Evaluation Criteria"

Minimum level(s) of standards possibly required: "Annex A – DPQQ Guidance and Evaluation Plan," "Annex B – DPQQ Selection Criteria," "Annex C – DPQQ Economic and Financial Standing Evaluation Criteria"
