Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- Extreme urgency brought about by events unforeseeable for the contracting authority

Explanation:

The end of the previously tendered Council contract was to coincide with the commencement of a new arc21 contract for the processing and treatment of the Council's CA Residual & Bulky Wastes. However, due to unforeseen circumstances the arc21 contract has been delayed, the contract only recently being advertised with a current return date of 6 November 2024.

The continuance of the Council's local contract with Irish Waste Services is to facility the transition to the arc21 contract upon its commencement and to ensure service continuity and no disruption to service in the interim.

Not having a contract in place will lead to not only reputational damage but will have a negative impact on the Council's statutory obligations to divert waste from landfill and increase recycling as required by The Waste(Circular Economy) (Amendment) Regulations (NI) 2020.
