II.1.4) Short description

Cambridgeshire County Council and Peterborough City Council require the provision of a National Child Measurement Programme. This is a competitive procurement under the Provider Selection Regime (PSR)

The NCMP is a national programme which involves the weighing and measuring of primary school children. It is a mandated Public Health function, which must be commissioned by the Local Authorities who have direct responsibility for it.

School age children in Reception (aged four to five years) and Year 6 (aged ten to eleven years) have their height and weight measured routinely each academic year, and parents/carers are sent a feedback letter with the child's weight status (underweight, healthy weight, overweight or very overweight). In Cambridgeshire and Peterborough,

there are an estimated 20,000 pupils to be screened each year, involving over 280 primary schools.

II.2.4) Description of the procurement

The NCMP is a national programme which involves the weighing and measuring of primary school children. It is a mandated Public Health function, which must be commissioned by the Local Authorities who have direct responsibility for it.

School age children in Reception (aged four to five years) and Year 6 (aged ten to eleven years) have their height and weight measured routinely each academic year, and parents/carers are sent a feedback letter with the child's weight status (underweight, healthy weight, overweight or very overweight).

The aim of the NCMP is to gather population-level data to increase understanding of weight issues in children, monitor changes, and inform future commissioning and childhood obesity strategies. Locally, the data also helps to identify the areas with the most need (often more deprived areas) and help target interventions to these schools/geographical locations.

Precise information on deadline(s) for review procedures

Precise information on deadline(s) for review procedures This is a Provider Selection Regime (PSR) Contract Notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023.

For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award.

The standstill period will begin on the day after the notice of intention to award is published on Find-a-Tender Service. Any representations to the process must be received before midnight on the eighth working day after that day.

Representations must be sent to the Authority in writing via ProContract's messaging function with reasons why the provider believes that the Authority has failed to apply the PSR correctly.

The provider must be able to set out reasonable grounds to support its belief. If any representations are received by the Authority during the standstill period, then it will remain open until the authority considers the representations and relevant information before making a further decision and submitting its formal response.

If the bidder wishes to continue with its representation after the Authority's formal response, then they will need to contact The Independent Patient Choice and Procurement Panel detailed below.

The Independent Patient Choice and Procurement panel will be responsible for reviewing representations in relation to the Provider Selection Regime (PSR). To use the Independent Patient Choice and Procurement Panel, bidders should read the terms on the NHS England website and email: england.procurementpanelinfo@nhs.net
