Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Supply of Tree Nursery & Glasshouse Growing Sundry Items

Reference number

FLS-150-F

II.1.2) Main CPV code

• 03100000 - Agricultural and horticultural products

II.1.3) Type of contract

Supplies

II.1.4) Short description

Forestry and Land Scotland (FLS) intends to appoint a Framework Agreement for the Supply of Tree Nursery & Glasshouse Sundry Items following the redevelopment project at our Newton Nursery, Elgin.

Newton Nursery was established by the Forestry Commission in 1931, and it has not seen significant investment since the early 1980s, when the facilities were developed to service a growing programme of three (3) to four (4) million trees per year.

The annual requirement has doubled since then, and will need to double again in the coming years. The redevelopment project is seeking to utilise innovative technology alongside developing the physical estate to meet these needs, now and into the future.

Part of the redevelopment is the construction of a new state-of-the-art 12,000m2 Glasshouse, which will be around the size of two (2) football pitches and capable of growing up to nineteen (19) million trees per year. This modern addition will revolutionise our approach by providing a controlled environment to nurture our seedlings. By shielding them from invasive weeds and curious critters, FLS anticipate a significant boost in our germination success rate, aiming to achieve an impressive 80% germination rate for our seeds. Construction is anticipated to be completed by December 2024.

Once the redevelopment is complete, Newton could have up to twenty-five (25) million trees

growing on site in any one year, a significant increase from the seven (7) million trees FLS are currently able to produce.

This tender exercise is for the sundry items that will be required for both the tree nursery and the new glasshouse.

II.1.5) Estimated total value

Value excluding VAT: £2,300,000

II.1.6) Information about lots

This contract is divided into lots: Yes

II.2) Description

II.2.1) Title

Tree Transportation (Bags/Boxes/Sacks)

Lot No

1

II.2.2) Additional CPV code(s)

- 03121000 Horticultural products
- 03120000 Horticultural and nursery products
- 03440000 Forestry products

II.2.3) Place of performance

NUTS codes

• UKM62 - Inverness & Nairn and Moray, Badenoch & Strathspey

Main site or place of performance

Newton Nursery, Elgin, IV30 8XR.
