Text

Description of the services to be provided: Non Obstetric Ultrasound Services (NOUS) used to detect changes in the look, size or outline of organs, tissues and vessels, or to detect abnormal masses

The ICB is intending to award a contract to an existing provider following direct award process C, where the existing provider is satisfying the existing contract and will likely satisfy the proposed new contract, and the contract is not changing considerably.

The approximate lifetime value of the contract is

£625,000

The dates between which the services are intended to be provided are: xx/10/2024 to xx/01/2026.
