---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
  - absence of competition for technical reasons

Explanation:

Explanation:

Risks associated with the discontinuation of the service:

- Lack of night support for EOL patients resulting in increased hospital admissions.
- Family/carer burn out - leading to increased support required for the patient and emergency admissions.

- Increased spend in NHS Continuing Healthcare to commission night support where Marie Curie are unable to support.

The Authority is to retain the provision with the provider named in this notice to ensure the risks (list is not exhaustive) are prevented. The Authority is supporting this organisation through a grant arrangement.

The Authority believes competition is absent for the technical reasons outlined above and the potential for patient harm and disruption.

This is for a one year grant commencing 01/04/24.

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: No

### **IV.2) Administrative information**

#### **IV.2.1) Previous publication concerning this procedure**

## **Section VI. Complementary information**

### **VI.3) Additional information**

F15: Voluntary ex ante transparency notice published 11th July 2024 : Notice reference: 2024/S 000-021252

Please note that the services and associated specification and prices commissioned within this contract may be subject to review and change, moving forward the Commissioners may further review the above mentioned services in conjunction with the selected providers; therefore, the scope of the possible changes to be made to this contract shall relate to the outcomes of any continuous improvement, through a variation to the contract in accordance with Regulation 72 (1) (a) of the Public Contracts Regulations 2015.

Additionally, the contract may also be amended in terms of the original services supplied or the localities covered, where, following assessment it is identified that it is logical for additional services to be delivered in conjunction with this contract and / or by the provider(s), both in terms of actual service delivery and to avoid duplication of costs. These services may include but are not limited to other services and specialties formally

delivered in alternative care settings where it is foreseen that these services can be delivered more effectively as part of this contract.

The services to which this procurement relates fall within Schedule 3 of the Public Contracts Regulations 2015 (the "Regulations"). As such, the procurement of the services is being run as a process akin to the procedure mentioned above, as outlined within the suite of procurement documents. The Contracting Authority does not intend to hold itself bound by any of the regulations, save those applicable to Schedule 3 Services.
