**VII.2) Information about modifications**

**VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

To provide for additional works, supplies or services by the original contractor that have become necessary and were not included in the initial procurement, where a change of contractor—

(i) cannot be made for economic or technical reasons such as requirements of interchangeability or interoperability with existing equipment, services or installations procured under the initial procurement; and

(ii) would cause significant inconvenience or substantial duplication of costs for the contracting authority,

provided that any increase in price does not exceed 50% of the initial contract value;

The modification extends the existing limit on operational hours under contract to allow sufficient time for completion and award of next generation agreement.

### **VII.2.2) Reasons for modification**

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

Clarke Energy are the only UK approved supplier of Jenbacher original equipment manufacturer parts required for servicing and maintenance services.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £461,908

Total contract value after the modifications

Value excluding VAT: £618,566
